

Boundaries

Build VA4 0.0.11c

Boundary	Boundary Area	Notes
Amethys Slice Skill	Combat	Giving light poison effect (without icon)
Don't let any party member died	Exploration & Combat	Party member that already death still showing in the exploration
Build on day 1	Academy – Building	Can only build on the first day (The next day building will not appear if user build something)
Destroy building	Academy – Building	Cannot destroy building in every building
Camera Movement (Move between roads)	Academy	Don't move the camera to any building after the first day until the end. All buildings name will either be Infirmary or empty lot
Clear Monster nest, Explore deep into Tundra, Helping hand stages	Exploration (Stages)	In Mentioned stages, there is area 4 where no monster appeared and make the game stuck, also there's a goblin mage that could trigger bug (no animation in the deep into Tundra)
Cursor movement	Academy	Cursor could display building status (could trigger building to display Empty lot status)
World limit	Academy	World limit for camera movement
Student List	Student Info	Don't open all student list because some students doesn't have class icon

Notes :

Better to skip FTUE after the first day
